STABILISED GRAVEL PAVING

NIDAGRAVEL from Nidaplast offers the ultimate in controlled gravel paving, solving problems without compromising the attractive, natural appearance.

STRONG:

Once filled has a compressive strength comparable with concrete.

CAN HANDLE VEHICLES:

Designed to cope with vehicle traffic, parking and turning, including emergency trucks, utility access, maintenance deliveries and car parking.

WHEELCHAIR FRIENDLY:

Provides a comfortable surface for pedestrian and wheelchair access.

COST EFFECTIVE:

Installed costs very competitive with pavers and bound surfaces

FAST:

Can be installed at production rates not achievable by any other option.
No specialist skills required.

SITE FRIENDLY:

Supplied for just-in-time construction. No site congesting lorry loads of paving units.
Installation unaffected by adverse weather. Lightweight.

FREE DRAINING DESIGN FLEXIBILITY:

Unlimited choice of gravel finish, with a free draining surface area, reducing demand on drainage capacity.

For prices and further information call us on 01484 860044
